### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state the full name of the ancestor through whom you claim the right to ~~share~~ in this fund? Were any of your grandparents ever enrolled? If so, state when, where and under what names?

Why have you never been enrolled?

You mention in your application an ancestor by the name of "Shaw." Was she a Cherokee Indian, and if so, when did she live with the tribe? Have any of your ancestors lived with the tribe since 1800?

Give any other information obtainable tending to establish your right to participate in this fund.

An early reply will be appreciated.

Very respectfully,

W. H. H.

Special Com. Court of Claims,

Sir: In answer to a question in my application No. 43952, as to whether I had ever made application for enrollment in any Indian tribe I answered No. which is true as to myself, but I made application in the names of my 6 oldest children for enrollment in the Chickasaw tribe, in 1898 before the Dawes Commission but their application was denied.

I make this explanation  
to avoid complications  
Yours Respectfully,

Joseph C. Terry.

Joseph C. Terry being first duly sworn, deposes and says:

That I am 55 years of age. I claim my Indian descent through my mother; my father was a full blooded white man. My first wife was claimed to be a Chickasaw. I made application before the Dawes Commission but never got on the roll. This application was for my ~~first~~ children by my first wife. My second wife is a white woman. My mother claimed Indian through her father and he through his mother. My mother was born in 1854 in Putnam Co., Tenn. She left there in 1870. Up to that time she was living in Putnam Co., Tenn. Her parents lived there too. My mother nor her parents never lived with the Indians as members of the tribe and were never on any rolls that I know of. I am recognized as a white man in the community where I live. I did not heard of this fund until last October and that is when I filed my claim. I have two brothers who married Choctaws.

*Very slight, of any Indian blood*

That I am 61 years of age. I claim my Indian descent through my father; my mother was a white woman. My wife was a white woman. My father claimed Indian through his mother, Elizabeth Davison. My father was born in Alabama or Tennessee. Don't know which of these states. They came from Tenn. to Ala. My father was 77 when he died and he died in 1899. My father came to Texas in 1875. Before that he lived in La. In 1858 he moved to Miss. and stayed there a couple of years and then moved to Ark. and from there to La. and from there to Texas. He lived in Alabama until 1858. His mother died in Alabama before my father left there. My father nor his mother never lived with the Indians as members of the tribe and I never lived with the Indians myself. Don't know whether any of them were ever on any rolls. I never was. None of them that I know of ever received any land or money from the -government by reason of their Indian blood. I claim the Indian blood and the people in the community know that I have it. My grandmother had a brother named Levi Toney, but don't know whether he was on any roll or not. I did not make application to the Dawes Commission for enrollment. This is the only application I have made. Pearl George's mother and I are brother and sister. Pearl George number (10444) and she claims her Indian descent through the same source that I do. She has not made application to the Dawes Commission.

Sir:-

Your letter of August 29, 1907, relative to the applications of Thomas W. Davison, William A. Davison and John C. Davison, is at hand.

You are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not these claimants are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with these applications you will be notified.

Very respectfully,

Special Commissioner.

John Sanders being first duly sworn in behalf of Mary Williams, the wife of Leonard Williams, deposes and says:

Mary Williams lives at Rose, Okla. I am about about 58 years of age. I live at Claremore, Okla. Have lived here about 19 years. I was born in the Cherokee Nation. I am acquainted with Mary Williams. She is about thirty years of age. She was born in the Cherokee Nation. She gets her Indian blood from both sides of the house. Her mother's name was Manerva Terrell nee Eldridge. She has been dead some twenty years and was pretty well up in years at the time of her death. She was living at the time of her death in Ft. Gibson. She was born in the East. Manerva was an Emigrant. ~~Manerva was a full sister to Elvira Sanders, my mother.~~ Mary Williams has just one brother, his name being Tom. He is dead and left no children. Jess Eldridge, Jeff, Ibbie, Elvira (my mother) - she married Sanders and that was her name in 1851. These were brothers and sisters of Manerva Eldridge. (See G.S. 698) Also G. S. 191, Manerva Terrell lived in G. S. District in 1851. I do not know why she was not enrolled. Mary Williams' mother, Manerva Terrell, was a full sister to Elvira Sanders, my mother. Manerva never associated with any other tribe of Indians. She never drew any Old Settler money. I know that Mary Williams has Eastern Cherokee blood. Mary Williams' mother was younger than my mother but she was old enough to have been enrolled in 1851. Jess started out with the emigrants but died on the road. The Terralls were Old Settlers. I do not know why she was not enrolled, that is Manerva Terrell.

Mary Williams being first duly sworn on oath deposes and says:

I am 42 years of age. I claim my Indian descent through my mother. My father was a white man. My mother died in 1878 and was about 40 years of age when she died. My mother was a half breed Cherokee. She derived her Indian descent from her mother. My mother always claimed to be an Emigrant. She and her mother claimed to be on the Emigrant Roll. I don't know where my mother was born, but it was somewhere back in the Old Nation. Think she was living back in the Old Nation in 51. My mother's maiden name was Eldridge-- Manerve Elridge. Her mother's name at that time was Ailsey Eldridge. My grandmother first married a man named Elridge, then about the war time she married a man named Murphy. My mother had one brother living in 51, some waht older than she, named Jeff Elridge. She had two sisters but I don't know their names. They were older than she. Think Jef. Eldridge came west when the rest did. He died along about 1879. He died up here west of Pryor Creek. I don't know how old he was when he died but he was right grey. I am enrolled by the Daws Commission number 6977. I received Strip money in 1894. I have always been a member of the Cherokee tribe since my birth. I am now living upon my allotment. I am no relation to Peggy Murphy (Sharp, Woodall or Wash-hand). I don't know who my Great Grandparents were. Think Jeff was grown in 51. (See G. S. 191 ? ) Thin he always lived up where he died after he came out here. That was Saline District before the war. Think I have a first cousin by the name of Susan Cook living at Vinita. Her mother was my mother's sister and her maiden was Sanders, I think, but I don't know her mother's given name. Susan Cook has a sister named Polly Claws. She lived in Vinita to the last I heard of her. I don't know what my grandmother's name was before she was married. I don't know when my Grandmother Eldridge died, but it was after the war. Don't know where she was lying when she died. Don't know of anyone that can furnish any more information. My mother told me that they came out here on a Steamboat with a lot of other Indians. I don't know much about my people, my mother died when I was small. I have a boy grown named Tuskie Williams. He lives right close to us. He has made application to. I haven't any brother or sisters living. My mother was married the first time before the war to a man by the name of Terrell. My mother's Indian name was Tooker. Don't know of my grandmother having any Indian name. I never had any full brothers or sisters. I had a half brother named Tom Terrill. He was killed along about 1896. He was an Old Settler on his father's side. We were related on our mother's side. His father was named Lige Terrill.

Nellie Wickliff, being duly sworn, deposes and says:-

My name is Nellie Wickliff. I was born in Saline District in 1871. I was not enrolled by the Dawes Commission. I am a full-blood Cherokee. My father and mother were born in Georgia. My parents came from Georgia to the Indian Territory during the Emigration. They came about 1839. Neither I nor any of the ancestors thru whom I claim ever received any Old Settler. None of my ancestors were Old Settlers. My ancestors and I have always remained with the Cherokee tribe. Both my parents were living in Saline District in 1851. They were enrolled at that time and drew Emigrant money. I do not know what names my parents were enrolled under in 1851.

I do not know the names of my grandparents on my father's side. They died back in the Old Nation. My grandparents on my mother's side came from the Old Nation to the Indian Territory with the Emigrant Cherokees. They were enrolled in 1851 in Saline District.

My grandfather's name was Dee-gah-heo-gee-skih and my grandmother's Cherokee name was Oo-gah-wee-yih. My grandfather and grandmother were not living together in 1851. Dee-gah-heo-gee-skih was living in Delaware District. His wife at that time was Chah-wah-you-oah. They had two children by the name of Tau-you-we-se and Tau-yah/ (SEE 259 Del)

My mother had a sister by the name of Tar-ne. Oel-sah getah was my grandfather Tar-ne's child. I do not know who Nee-yernske was (SEE 256 Sal)

My father and mother were also enrolled in Saline District. They had a child by the name of Oo-tar-ne-yah-teh who was enrolled with them. (See Sal. 257 for mother and father and brother)

I was enrolled for the Strip payment in 1894 and drew money at that time.

Hon. Com. Indian Affairs: -

In reference to Jack Martin, it was always known that he was an Indian & a Cherokee. There ought to be in this county, the record of a suit between the Wilsons and Martin, in slavery times which involved the Martin's right to enslave Jack. It was believed & generally known that he (Jack) was captured, kidnapped, or otherwise stolen from the Indians (Cherokees) by one Captain Martin, & wrongfully put into slavery. Jack went into the war as a Federal soldier & after the war, drew a pension as Jack "Wilson" which was his generally accepted name after the war.

He was not a negro, at least, if he had negro blood it was very remote. & did not show.

The reason no record is to be found, (and I have made diligent search) is, that the old records were nearly all destroyed in the civil war, the new court house being built in 1874, & I have been unable to find the proper record: But old men here remember the case and also that Jack Martin (or Wilson) was undoubtedly a Cherokee Indian (of full blood as they believe)

Mary Dickerson cannot give her father's parents, as when he was brought here by Martin, Jack was a slave child. - Her mother, being colored, of course no claim is made through her.

Respectfully

Commissioner of Indian Affairs

Dear Sir in

reply to yours of Jan 17<sup>th</sup>  
and must say I only claim is  
through my father Jack Maston.  
My father was born in North  
Carolina free. Stolen and brought  
here by Tom & Rub Maston.  
My father was a Cherokee  
Indian child when he come  
from North Carolina and was  
laid on a sheep skin in the  
corner before the fire I have  
heard him say that was —

2. one

his old Mistress for taking  
care of him. And I have heard  
Papa saying something about the  
law suit as to whether he should  
be a slave. It has bin so  
long and I was so young it  
seems like a dream.

Dear Sir as for my grand-  
parent. The way my father  
came here. The man that brought  
him is dead and so is he and  
if he was living he could not  
tell anything of his father and  
mother. I don't expect Mr. Weston  
even could tell under the terms  
the way they become by him

3  
My Mother was <sup>yellow</sup> colored Name  
Jane Boyd

And later papa was in  
war a soldier. If I am  
not mistaken it was Co. L. 1<sup>st</sup> U.S.H.A.  
and became a prisoner a few  
years before he died.

I have sent a statement of Mr.  
E.B.M. as I got him to look  
up the law suit before the war  
the books could not be found  
I thought that would be of some  
importance in this case.

J. P. Seaters says he will  
swear that it was the impression  
of the people that <sup>he</sup> had no  
right to be a slave  
and a big lawsuit occurred  
in that day

I have been living in what is now Floyd County, Georgia ever since the year 1834. I was well acquainted with a number of the Cherokee Indians and lived among them from the time I moved to Georgia in 1834 until the Indians were taken to the Indian Territory. While the Indians were still living here I became acquainted with Thomas Newton Loyd and he associated with the Cherokee Indians and had enough Cherokee Indian blood in him to be recognized by all of the white people that knew him to be of Cherokee Indian descent. The Indians themselves recognized Thomas Newton Loyd and his brothers and sisters to be descendants of the Cherokee Indians mixed with white blood. And I know that even while the Cherokee Indians were living in Georgia that Thomas Newton Loyd recognized his Indian ~~his~~ blood and claimed to be part Cherokee Indian, and I know that he did have Cherokee Indian blood for he claimed it, the Indians claimed it and he looked like the Cherokee Indians and had ways like the Cherokee Indians.

In 1834 Livingston, Georgia was the County Seat of Floyd County, Georgia and the people from all over the country both white and Cherokee Indians gathered at Livingston and I was then living at Livingston, Georgia.

Sir: I wish to inform you that I have lately changed my residence from 327 N. E. Gregor St. Carthage, Mo. To 502 So. 17 St. St. Joseph, Mo. I was also told that all children born since May-28-1906 would participate in the fund arising from the judgement of the Court of Claims in favor of the Eastern Cherokees. My baby, Laurance Hampton Myers was born Feb. 24-1907. If the report is true, and it will be necessary for me to fill out an application blank, I will be greatly obliged if you will send me one at once. I did not

send his name when I filled  
my application blank because  
the blank said only those  
living May 28 - 1906 would  
share in the funds and I thot  
it would not be necessary to  
send his name.

Application (10436)

Dear Sir:-

My grandmother, Elizabeth Roistom Callahan, came west with the Cherokees and other tribes, as far as Springfield Mo. in 1838. Grandmother being old and sick, with her tribe camped four (4) miles South of Springfield Mo. at her daughter's Sarah Jane Roistom Caffney, after resting two or three days the tribes continued their march west, and she remained sick with her widowed daughter, and two of her sons, and some of her slaves went on west with the tribe. one son was Dave Callahan, and the other John Callahan.

Mr McKee at Tahlequah was at Mt. Vernon Mo. in

1883 and told my father, George Haley, that he was well acquainted with John + Dave Callahan, in their life time, and that they had their head-rights near Tahlequah, and that he could show him their graves, and said for my father to come, and get his head-right too, as he had the same right they had. And my father went to Tahlequah in about 1883 and the chief recognized him and told him, "there is plenty of land for you and your ancestors. Take all you want." My father came back to Mt. Vernon Mo. where he lived at that time to get his family, and my mother being a white woman, and <sup>father</sup> was wounded by the Indians in the Revolutionary War, she would not go with him to live with the Indians. Then my father went again in 1893, and the chief told him, that

III

The Government had created Commissions composed of five men, and that we could no longer hold our lands. But that he and his ancestors could come and share their rights only through the Courts. And told him that if we would give five dollars to pay the fee created by Cherokee laws to help to pay the attorneys, that he and his ancestors could get their rights. And he paid the five dollars that was required, and we have waited for this same decision, that was pending in the Court of Claims. Our Grandmother was a Cherokee Indian, she lived in Alabama Miss. her husband was killed in the Black Hawk War, while trying to protect his home and country. After his death she came to Tennessee to her daughter Lubisa Riston Haley, then to Ill. to Susah Riston Spence, another

daughter, then returned to Alabama all alone, on horse-back, about 1830, - to get some money.

She had lived in Mississippi Alabama for years and years, her children all grown and married, she started with her tribe, two sons, and her slaves to the New Country: — when the U.S. Government made a treaty with us in which the Indian agreed to the "Treaty Exchange", which gave us land in the Indian Territory for our homes. In 1903 some of her heirs tried to get on the rolls in the Chickasha Nation. Thought that they had to apply in the name of the tribe, that they lived with, and as they were citizens of the Chickasha Nation, they thought they had to enroll at Muskogee, but they were mistaken they should ~~have~~ enrolled as Sherokins.

Lebanon,

Tennessee.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state clearly the full name of the ancestor through whom you claim the right to share in this fund? Were any of your ancestors slaves? Have any of your ancestors ever been enrolled as Eastern Cherokee Indians? Have any of them lived with the Tribe since 1800?

Why were your parents never enrolled?

Were any of your grandparents ever enrolled?

Give any other information obtainable tending to establish your right to participate in this fund.

An early reply will be appreciated?

Very respectfully,

Dear Sir:--

I have been employed by Mrs Minerva Donoho, who has a claim pending before you No. 10446 for participation in the fund arising from the judgment of the Court of Claims of May 28, 1908 in favor of the Eastern Cherokees.

I would like very much to have a copy of the judgment of the Court referred to, and to know the exact status of the said claim of Mrs Donoho. I know nothing of these matters and cannot tell much about the merits of the case, but Mrs Donoho has the appearance of being almost a fullblood Indian. There can be question as to her ancestry being of Indian stock.

I would appreciate it if you will forward all the information you can in regard to this claim to enable me to render service to my client that will aid you in arriving at a proper decision. Will it be necessary for me or some other attorney to appear before the Court and present the case or will this be done by simply filing the papers with you. Do you require the petition filed in any specific form?

Very respectfully yours,

Reject

Residence:

Reasons:

It does not appear that claimants are connected with the "Water Hunter" on rolls of 1835. The ancestors of claimants belonged to the McIntosh Tribe of Creek Indians. They show no real connection with Eastern Cherokee. It further does not appear that any ancestor was party to treaties of 1835-6 or 1846. They are recognized as white people.

I, M. A. Gibson, Special Master, herein show to the Court that under the general order herein, I have examined the proof and pleadings in this case, which are herewith made a part of this report, and that I find as follows; 1st.

That this cause was instituted on September the 8th. 1896, before the Commission to the five civilized tribes, by which Commission it was tried, and the application denied on November 4th. 1896, and on December the 28th. 1896, the parties appealed from said decision to this court.

That the application was made by John G. Lloyd, William W. Lloyd, Minnie T. Lloyd, Edith A. Brady and Josephine Barthell, the children of Dr. George W. Lloyd, deceased, and by Mary A. Lloyd, the wife of said Dr. George W. Lloyd.

That the parties reside at McFall, Indian Territory, where they have lived for nineteen years. That they file in support of their application the affidavits of Mary A. Lloyd, J. H. Winpoe, Joseph W. Morris, Peter Parson, Elizabeth Morris, Martha Mullenax, John Ross, Thomas J. Gattis, Nathan W. Wanslee, Gideon F. Morris, Green D. Mite, and Thomas Lunkin; and a certificate from W. J. Watts showing a copy of the family record of George W. Lloyd deceased.

And.

That the testimony in this case consists principally of copies of affidavits presented to the Cherokee Commission on Citizenship, known as the Chambers Court, in the year 1870, at which time Dr. G. W. Lloyd made application for himself and family to said Commission, which application was rejected. That these claimants are the children of G. W. Lloyd, deceased, who was the son of Susan Lloyd, who was the daughter of Samuel Parsons, who was the son of Water Hunter, who is said to be a Cherokee Indian by blood.

3rd.

The defendant files the proceedings of the said Citizenship Court in the year 1879, including the testimony filed and the decision of the Commission rejecting Dr. Lloyd and his family.

4th.

The claimants contend that under the showing that they are descended from Samuel Parsons and Walter Hunter, who were known to be Cherokee Indians by blood, they are entitled to admission to citizenship in the Cherokee Nation as citizens by blood; while the appellee contends that by reasons of the claimants failing to show that the ancestors through whom they claim have ever been recognized as citizens of the Cherokee Nation since its removal West; and further, by reason of the fact that the claimants have heretofore made application to the Cherokee Commission on citizenship for admission to the Cherokee Nation, and have been rejected, and that by Act of Congress of March the 3rd. 1897, they have been declared intruders and their property appraised and its value tendered them, these claimants are barred from being admitted to citizenship in the Cherokee Nation.

The premises considered, I find that the Claimants are the descendants of Samuel Parsons and Walter Hunter, that they are Cherokee Indians by blood, and reside in the Cherokee Nation; that they have heretofore applied to the regularly constituted Commission of the Cherokee Nation for admission to the Cherokee Nation as citizens by blood, and have been rejected by said Commission; that they have been declared intruders and the value of their improvements tendered them by the proper authorities, and that they do not show that the ancestors through whom they claim were ever enrolled as citizens of the Cherokee Nation.

I respectfully ask that the Court allow me a reasonable fee for my services herein. Respectfully submitted this 1st. day of July 1897.

J. C. DePutron, Esq.,

Washington, D. C.

Sir:-

In the matter of the enrollment of the Eastern Cherokees to participate in the fund arising from the judgment of the Court of Claims, you are advised that in the case of James Anderson B. Loyd, No. 10538, of Rome, Ga., the names of James Emory Loyd and Susanna Parson Loyd, father and grandmother, through whom he claims Cherokee descent, do not appear to be on the rolls of 1835-6 nor those of 1851.

Please advise this office where the grand-parents, Thos. Loyd and Susanna Parson Loyd, lived in 1835, and why they were not enrolled at that time. - They appear to have been living in 1851. Why were they not enrolled in 1851?

The application of James Anderson B. Loyd also states that his father, James Emory Loyd, died in 1891. Where did he live in 1851? Was he enrolled with the Cherokees in 1851? If so, under what name? If not, what reason may be assigned for his failure to be enrolled at that time?

Were any of these parties, through whom James Anderson B. Loyd claims Cherokee descent, ever held as slaves?

Please furnish this office with affidavits clearly showing the connection of this claimant or his immediate ancestors with

the Eastern Cherokees. Such affidavits must be full and complete

as shown by the face of the application, there is nothing to connect this claimant and those claiming through him, with the Eastern Cherokees.

Special Commissioner.

I, N. A. Gibson, Special Master, herein shew to the court that under the general order herein, I have examined the proof and pleadings in this case, which are herewith made a part of this report, and that I find as follows:

1st.

That this cause was instituted on September the 8th., 1896, before the Commission to the five civilized tribes, by which Commission it was tried, and the application denied on November the 4th., 1896, and on December the 28th., 1896, the parties appealed from said decision to this court.

That the application was made by John G. Lloyd, William W. Lloyd, Minnie T. Lloyd, Edith A. Brady and Josephine Barthell, the children of Dr. George W. Lloyd, deceased, and by Mary A. Lloyd, the wife of said Dr. George W. Lloyd.

That the parties reside at McFall, Indian Territory, where they have lived for nineteen years. That they file in support of their application the affidavits of Mary A. Lloyd, J. N. Wimpler, Joseph M. Morris, Peter Parson, Elizabeth Morris, Martha Mullenax, John Ross, Thomas J. Gattis, Nathan W. Wanslee, Gideon F. Morris, <sup>& Morris</sup> Green B. Kite, and Thomas Lumkin; and a certificate from W. J. Watts showing a copy of the family record of George W. Lloyd deceased.

2nd.

That the testimony in this case consists principally of copies of affidavits presented to the Cherokee Commission on Citizenship, known as the Chamber's Court, in the year 1879, at which time Dr. G. W. Lloyd made application for himself and family to said Commission, which application was rejected.

That that these claimants are the children of G. W. Lloyd, deceased, who was the son of Susan Lloyd, who was the daughter of Samuel Parsons, who was the son of Walter Hunter, who is said to be a Cherokee Indian by Blood.

Dear madam:-

We enclose you herewith powers of attorney from J. Frank Lumpkin, Alice E. Lloyd, Virginia I. Lloyd, Martha A. Lloyd, Lois Lloyd Foster, Clifton Otholo Lloyd, Wm. Green Duckett, James Frederick Jolly, Charles Albert Lloyd and Charles Felton Lloyd.

With further reference to these claims, and connecting them with the family of Dr. George W. Lloyd, whom you already represented, will say that our records show that Dr. George W. Lloyd was the son of one Susan Parsons Lloyd, nee Parsons. That being true, he was the brother of the father of a number of our claimants. In fact all of our clients who claim Water Hunter as their ancestor, claim through Susan Parsons Lloyd, and from that point back all have the same ancestry. So it occurs to us that all there is necessary for us to show is that our clients are descended from Susan Lloyd, and in that way connect them with Dr. George W. Lloyd, by showing that they are cousins of George W. Lloyd, because from Susan P Lloyd back, they all run the same line of ancestry.

In a word, connect our clients with Dr. George W. Lloyd, and then you have the proof behind that. Don't we understand from the blank affidavits which you sent us that they are intended for that purpose? Isn't it the proper thing to get affidavits from people here who knew Dr. George W. Lloyd before he left here and went to the Territory, to say that they knew him to be the brothers of certain other Lloyds here, under whom our clients claim?

Yours very truly,

Hon. Guion Miller, Special Commissioner,  
Washington, D.C.

Dear sir:-

On Jan. 12th. 07 we filed with the Commissioner of Indian Affairs, claims of M.J. Stafford, Lizzie Lumpkin Lane and G.A. Lloyd to participation in the Eastern Cherokee Indian Fund. In some way we were not entered as attorneys of record. On June 18th. 07, you as Special Commissioner, replied to our letter of inquiry of June 18th. 07 by saying that the cards of acknowledgment of these claims were sent direct to claimants, and under date of June 28th. 07 you stated that possibly this resulted from a misplacement of our letter mailed with the claims, and asked that we send you written statement from these claimants that we are their recognized attorneys. Under date of August 27th. 07 we sent you a power of attorney signed by these three parties stating that we were their regularly recognized attorneys. We have not been apprised of the fact that you received this notice. Please advise us if you have so entered us, to wit; M.J. Stafford, #10440, Lizzie Lumpkin Lane, #10450, and G.A. Lloyd, #10448.

We have quite a number of claims pending in this matter, and will thank you to advise us whenever it becomes necessary for us to file any additional proof.

Yours very truly,

Mr. James Pullen Sr.,  
Seney, Ga.

Dear Sir:

As I am very anxious to get all the proof possible in regard to me being a descendant of Water Hunter, a Cherokee Indian, I write to you for further information, hoping that you may be able to assist me. I am sorry to have to trouble you, but any assistance you can give me will be most gratefully appreciated.

I will just ask you a few questions, and you can write your answers in the blank spaces.

Did you know Waterhunter? Yes

Did you know any of his children?

Yes I did at one time

If so, what were their names?

Can't remember them now

Do you know that Mrs. Susana Lloyd was the grand-daughter of Waterhunter?

I do

And if so, how do you know it?

From general character

Do you know any other old Settler  
that could testify in my behalf?

I know old settlers, but not know that they could  
With many thanks for the assist<sup>ance</sup> you have already given me.

I am, yours respectfully,  
Fara Lloyd.

Dear Madam:-

Enclosed herewith please find A copy of the Special Master's Report #105, of Judge Springer's Court, which was appealed from the Commission of the five Civilized Tribes.

The contention of the Appellee, that we failed to show that our ancestors through whom we claim, were ever recognized as citizens of the Cherokee Nation, since its removal West, will say in reply none of those ancestors, Susan Lloyd, Ne Parsons, Samuel Parsons and Water Hunter, Never moved West, but lived and died in the Old Cherokee Nation; but Peter Parsons, who makes one of the affidavits mentioned herein, is a Nephew of the said Samuel Parsons, and he and his family and mother were all recognized as citizens of the Cherokee Nation and were on the roll and drew money at Tahlequah.

My Father George W. Lloyd, and family moved from Georgia, in the spring of 1872; and in the fall of the same year, he put in his Application before the Council, at Tahlequah; all of which goes to show it was not neglect or any fault of his that we were not recognized as citizens of the Cherokee Nation.

Most of the claimants of the Citizenship Association, claim that the Commission were bought by the Appellee, and that they did not have a fair and impartial trial; that th eir evidence was treated with contempt.

All the Council required the claimants to prove , was that they Were Cherokees by Blood. and we did that.

It is true our property was appraised and its value tendered, but we rejected it on the grounds that we still had a right to keep our homes?. and have not received any compensation for the same up to the present time.

W. J. Watts was our local attorney when the case was before the Council and filed with them all of our affidavits and evidence.

I think they have the nome of Water Hunter spelled wrong Walter which is a mistake.

Would be glad to give you any information I possibly can and to hear from you any time as to the progress you are making.

Very truly yours, Minnie Evans, per .... *John Evans* .....

Dear Madam:-

Inclosed herewith, you will find Application of Wm. Washington Lloyd and Minnie May Evans, ne Lloyd, duly signed and executed.

-----0000 Remarks 0000-----

My Father came to the Cherokee Nation, Indian Territory, and from the state of Georgia in the year 1872, and put his claim in before the Council, but they put him off from time to time and he continued to gather his proof from year to year and to go before the Council, up to the time he died; in the year 1884.

After his death my Mother sister<sup>s</sup> and Brothers, continued to press the claim, and appear before the Council, until 1896, when the Dawes Commission was appointed to make final settlement between the Indians and the Claimants.

Our proofs were gotten up in due form and sent in to the Dawes Commission, but it being prejudice against the claimants, they did not as much as open the envelopes containing the proofs not only of our claims but they did hundreds of others in the same way; in other words they had the case decided before the proof was ever put in.

The claimants took an appeal from the Dawes Commission, through our attorney, Jeff Watts, in the fall or spring of 1896 or 7., to Judge Springer's Court, at Muskogee, I.T. who examined our proof and decided, that my Father was a Cherokee by Blood. but said he did not have jurisdiction to say that we should be enrolled as Citizens.

We have the Master and Chancery

Wilson Monroe, being first duly sworn in behalf of George A. Loyd, deposes and says:

That I am 88 years of age and live in Floyd Co., Ga. I knew ~~James Monroe~~ that Thomas Loyd and his wife, grandparents of applicant. Got acquainted with them about 1840. They were then living south of Rome, Ga. about three miles. I suppose they had been here five or six years when I got acquainted with them. I think they came from N. C. but I don't know what part. I have just heard this. He lived with the Indians right here in this country, Floyd Co., Ga. He was recognized as having Indian blood but I don't know whether he took part in the Indian councils or not. He claimed to be 1/4 Cherokee Indian. I don't know how much Indian blood the wife of Thomas Loyd claimed. They had a farm here at that time. They had been living on the farm when I came here. There were not a great many Indians here when I came. I never heard of Thomas Loyd or his wife being on any roll. All I know is that they were recognized as having Indian blood by the whites and by the Indians. I knew Geo. Loyd who went to the Ter. He was the son of Old Thomas Loyd.

George A. Loyd being first duly sworn, deposes and says:

That I am 56 years of age and live in Floyd Co., Ga. I claim through my father; my mother was a full blooded white woman. My father's mother claimed Indian. My grandfather on my father's side was a full blooded white man. Susan Loyd died in 1866. Her grandfather was a full blooded Cherokee Indian; she was about 1/4. Her grandfather's Indian name was Water Hunter. Don't know when he died - haven't any idea. Susan Loyd's father was S. D. Parson; he was 1/2 blood. I am about 1/16 Cherokee. I think my father was never on any roll. I don't know whether his mother was or not. My father was born in Coweta Co., Ga. He moved to Floyd Co., Ga. in 1855 or 1856. He lived amongst the Indians in Coweta Co., but I don't know whether he lived with them as a member of the tribe. I don't think the Indians were in Floyd Co. when my father came here. My grandmother Loyd came with him when he came to this county. I never heard of my great grandfather coming to this country. He must have been dead when my father and grandmother came to Floyd Co. I am recognized as a white man in the community. This is the only application I ever made for Indian benefits. My grandfather first moved to Fayette Co., Ga., then he went to Coweta Co. My grandfather and grandmother lived with the Mc Intosh tribe in Coweta Co. or Fayette Co., Ga. They were a Creek tribe. I think my grandfather Loyd came from S. C., am not sure, however. I have an uncle, a brother of my father, Geo. W. Loyd - and he went to the Territory about 1870. He came from Floyd Co., Ga. While out there he made application for a portion of land being allotted to the Cherokees. He came back here about 1878 to get evidence attempting to prove his Indian blood. The last record I have of the claim it was turned over to the Dawes Commission. Don't know when it was submitted to them. It was about 1896. I here have a paper entitled in the U. S. Court, Ind. Ter., Northern Dist. at Muskogee, I. T., John G. Loyd, et al vs. the Cherokee Nation, which is an application made by my uncle and other immediate members of his family and reciting the proceedings had therein for the purpose of securing land and enrollment amongst the Five Civilized Tribes in I. T. and the same is here marked Exhibit "A" and attached as a part of my testimony. Charles A. Loyd and Mary Jane Stafford are cousins of mine, they being the children of Jasper Loyd and claim through the same source as I and through no other source. I here also offer in evidence an affidavit made by James T. Pullen, Sr., made in behalf of my sister and marked Exhibit "B", which my said sister, Nora Loyd, had explained when she was about to go to Texas in 1898 and which was gotten with the view of making application out West for Indian benefits in the Cherokee Nation but she never filed her claim or did anything further with it.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state why you think you are a Cherokee Indian? Why were your parents never enrolled? Were any of your grandparents ever enrolled? Why have you never been enrolled?

Were any of your ancestors slaves?

In your application you seem to base your claim to participate in this fund through your grandfather, Moses Christian. Please state your reasons for thinking he was a Cherokee Indian, and state why he was never enrolled? Give any other information obtainable tending to establish your right to participate in this fund.

An early reply will be appreciated.

Dear sir

In Reply to your Request in  
Regard to Application NO 10472

will say I do not know why  
my parents were not enrolled in  
1867. I was Born Oct 12, 1866

and Father died Nov 23 1867

and I was Carried away from  
his people there. I haven't seen  
all the time since as I could  
hear of them

My reason for not being  
 enrolled was I didn't have the  
 money to pay a Lawyer to take  
 it up for me till I saw Mrs—  
 B.A. Tookwood's edit in a  
 News Paper then I at once  
 began as I wasn't a Shame of  
 my father's Blood.

No more of my ancestors are  
 Slaves. I claim to participate in  
 this fight as my father's great-  
 Grand mother was an Indian  
 as my father told

My daughter is about 8 years old. She claims thru me and through her father, Wilson L. Wayburn. Her name is Edna Wayburn, Roll No. 29337, Dawes Commission. Her father has been dead 4 years last April. He was enrolled by the Dawes Commission also; Cherokee Roll No. 29336. He may have been on the '80 roll. He never received any Old Settler money; nor any of his ancestors. He got his blood from his mother's side. Her name was Gage, and her father's name was David Gage, and she had a brother named John Gage. I do not know whether the Gages were enrolled in 1851. I do not know whether his people ever associated with any other tribe of Indians. He had brothers, Bill, Bob and William Wayburn. I don't know his sisters names, but they live in this District. Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state why you and your father were never enrolled with the Eastern Cherokees. Have you ever been enrolled with any other tribe of Indians? If so, state with which, when and where. Were your father and mother slaves? If so, were they slaves of Indians or white people? Did your father and mother live with the Eastern Cherokee tribe of Indians in 1835? If they were not living with the tribe at that time, please inform us the reason why. When did you move West to the Indian Territory? About when were your father and mother married? Where was your mother living at that time?

Very respectfully,

Special Commissioner.

State of Georgia County of Cherokee ss.

In the matter of the claim of Josiah Vernon No. 10492 of share in fund appropriated by act of Congress of June 30, 1906 in favor of Eastern Cherokee Indians

ON THIS 10th day of August A. D. 1907, personally appeared before me, a Notary Public in and for the aforesaid County, duly authorized to administer oaths,

Frances Moore age 81 years, a resident of Waleska in the County of Cherokee and State of Georgia

Volumnia Moss age 64, a resident of Morris Mills in the County of Cherokee and State of Georgia well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows:

I am acquainted with Josiah Vernon and have known him for forty years and during the whole of forty years I have known him to be part Indian. He was the son of Archie Vernon and Jane Vernon and he had the following brothers and sisters: Rich Vernon, Sarah, Nancy and Emeline Vernon, Mary Bohannon, Millie Humphreys and Abner Elliott.

I was well acquainted with Jane Vernon and got acquainted with her several years before the Civil War or about 50 years ago. She claimed then to be of Indian parentage and looked and acted very much like the Cherokee Indians, her hair was long, straight and jet black, her eyes were black, her complexion was dark and her actions bore every feature of the Cherokee Indians. When the time of her death Jane Vernon she informed me that she was of Indian parentage and that was about 50 years ago. I took her to be a half blood Cherokee Indian.

I was born in Hall County, Georgia on July 4, 1826 and saw a good deal of the Cherokee Indians before they were removed from Georgia and Jane Vernon in ways, complexion, hair and eyes was just like the Cherokee Indians. I had seen and been acquainted with the Cherokee Indians for the past fifty or 60 years.

For the past fifty or 60 years it has been the general family history to my knowledge that Jane Vernon was a descendant of an Indian.

Post Office address is Waleska, Georgia. She further declares that she has no interest in said case and is not concerned in its prosecution.

Josiah Vernon, after being first duly sworn,  
deposes and says:

I am 59 years of age; was born in Foraythe County, Ga.; have spent my life most around Cherokee County. I claim Cherokee Indian blood through both my mother and father. I have never received any Indian money from the government. My father nor mother ever received any Indian money. I never heard them speak of receiving any money in 1852. I do not think they ever tried to get any Indian money. They did not live with the Indians. My father was a voter. My grandfather Stephen Hays was part Indian. I remember him. He lived in Hall County. I do not know that he ever lived with the Indians. My grandmother on my fathers side was Indian. I remember her. She spoke the Indian language but were recognized white people. My grandfather also spoke the Indian language. In 1882 I lived here in this part of the country. I did not hear of Hester, the enrolling agent about that time. I first heard my grandparents speak of their Indian blood. My grandfather claimed to be quarter Indian and my grandmother a quarter Indian also. My grandmother was born in Virginia but do not know where my grandfather was born.

George W. Rogers,  
Sutter,

Indian Territory.

Sir:-

Replying to your letter of September 10, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

I am 59 years of age. I am acquainted with Tom Downing and knew his father and paternal grandparents. Tom's father was named Ned Te-na-kee or Ned Downing. I am now sure whether Ned was living at the time of the payment or not, he was born along about that time. Ned's mother was named Oo-osh-yah-stee. Oo-osh-yah-stee's father was named Doo-che-stuh. Oo-osh-yah-stee had a brother named Te-ghh-nuh-way-de-ske, which means digging a hole deeper. Her sister were Choh-go-hih, Gah-de-cloh4ih, and Gah-ke-law-stah. (For Ned's mother see G. S. 387. For ~~maternal~~ Ned's mother's father and brother and sister see G. S. 385). Ned never lived with his father his mother raised him. They always lived in Going Snake District. I don't know who Oo-wah-le-nah-ste was. Ned Downing's father was named Oo-dee-skul-le Downing or in the time of the war he was called Hider Downing. Oo-dee-skul-le had a sister named Cah-ta-goo-guh.
